P.W.D The resolution of the standing committee of the DBd is to reduce the number of caretakers at Bidadi Closepet, Hindigenal, Kabbagi and Kankanhalli by one and to have a Sweeper on Rs 5 pm instead.

R 4) In the copy of the resolution of the DBd sent up, the name of Kebbagodi has been omitted.

3) It is stated in the President's letter that the net increase, on account of the revision of pay and the retrenchment proposed, will be Rs 42 per mensem or Rs 50 per annum which does not seem to be correct. For, the present total strength of caretakers is 35. out of which 5 Caretakers will be removed and replaced by 5

Sweepers on Rs 5 pm. If the revision scheme proposed by me ~~above~~ were to be given effect to, then the number will be as follows, provided the ~~services~~ of the 2 ~~chaukidars~~ of the 5 places mentioned are dispensed with.

1 caretaker on Rs 11 pm. = 11.
29 caretaker, on Rs 10 pm = Rs 290
5 Sweepers on Rs 5 each pm = Rs. 25

35, Total cost Rs 326 per mensem

As it is, the Board is spending on this account Rs 299 per mensem and accordingly the net increase will be Rs 27 per mensem or Rs 324 per annum.

The President recommends that the caretaker of Dobopet who is now getting Rs 11 pm, may be allowed to draw the same pay till he continues in service, and that necessary provision has been made in the budget Estimates now under 28 29, to give effect to the revision 1st July 1928.

(Through the Deputy Commissioner, Bangalore District, Bangalore.)

SIR,

Subject: Increase of pay to the Caretakers attached to the 3rd. Class Travellers' Bungalows and Musafirkhanas in the District.

I have the honor to state that there are at present 15. 3rd. Class Travellers' Bungalows, one Town Hall and 18 musafirkhanas under the management of the Bangalore District Board. In addition to this, there is a watcher to the pond at Suvarnamukhi, Bannerghatta. In all there are 35 caretakers. The pay of these servants ranges from R.6/- to R.11/- per month, as can be seen from the statement attached herewith. Since the time they were under the management of several Taluk Boards requisitions were being received for the enhancement of their pay to place them at least on a par with those of the Government Servants who were working in Taluk Offices etc. in the same locality. Some were considered and others were deferred for uniform proposals to be sent up by the President. The claim of these menials at a time when the prices of food stuffs are ruling high and when servants of other departments are getting a minimum of R.11/- per mensem ~~it~~ was considered by the Standing Committee at their meeting held on 21st. and 24th May 1928. They are of opinion that the pay of all the Caretakers may be uniformly raised to R.10/- per mensem and have suggested a reduction of one hand at each of the following places, Bidadi, Closepet, Kindiganal, Hebbagodi and Kankanhalli, as the chattrams in these places are located very near each other

other and are not frequently resorted to, and as such one Caretaker on R.10/- and a sweeper on R.5/- would suffice to look after both the building instead of two separate Caretakers. The Board have approved the same. Copies of their resolutions are attached for favour of perusal.

2. A statement showing the financial aspect of the scheme is attached. There will be an increase of R.52/- per month by giving all R.10/- and a reduction of R.10/- per mensem by giving effect to the retrenchment proposed by the Standing Committee. So there will be a net increase of R.42/- per month or R.504/- per year. The servants of other departments such as Revenue, Police, Forest, Excise who are working side by side with these caretakers in Taluks get a minimum pay of R.11/- per mensem and the work to be turned out by these Caretakers is in no way less. They have more responsibility as they have to watch the buildings and live there and be in charge of furniture, crockery, vessels, etc. Besides they have to be available at odd hours and attend on travellers. As such it is but right that their pay should be raised to R.10/- per mensem to give them at least subsistence allowance. At present for the low pay offered it has not been possible to get suitable and responsible men to look after these buildings

3. In the above circumstances, I request that Government may be kindly moved to accord sanction for the resolution of the Board to have effect from 1st July 1928. Necessary provision has been made in the budget estimates for 1928-29. The pay of Caretaker of Dobspetta Rama is R.11/- This may be allowed to continue till the present incumbent continues in service.

Sir.

With reference to your letter no A 192-663/27-28 dated 9th June 1928, regarding sanction to the resolution of the DBB in regard to the increase of pay of the caretakers of the 3rd class Travellers' Bungalows and Musafirkhanas in the District and to have one caretaker at Bidadi, Closepet, Hungund

and Kankanhalli instead of
hirs at present ~~enrolled~~, I am directed
to observe that in your letter
it is stated that the Standing
Committee are of opinion that
a hand at Hebbagodi may be
done away with, in addition to
the places referred to above but
in the resolution sent up, the
name of Hebbagodi has been
omitted, secondly, that the
financial aspect of the scheme
will be an increase of Rs 52
by giving Rs 10 to all and
a reduction of Rs 10 per by giving
effect to the retrenchment proposed
by the Standing Committee, ~~which~~ Mr
is not clear, ~~for~~ the proposal
of the Standing Committee
results in the reduction of five
hands in the existing number (~~viz~~) ~~255~~, 243
as noted in Mr. Marples
note the increased cost would be

1	Hand	Hebbagodi Chaukidar
1	"	Kudlipalya
1	"	Bidadi
1		Closepet
1		Kankanhalli
		Rs 43

and Rs 45 and not Rs 52 -
The latter amount includes increases
on account of the ~~additional~~ hands
proposed to be abolished also
if the Closepet hand to be abolished is one on Rs 6
then the savings would be Rs 40, but the increase in cost would be only Rs 45

against which there
shows the savings of Rs 43
